computers and from the other side of our mouth we ask for increased taxes from middle income Nebraskans. I find it hypocritical to talk this way and I find it very easy to support the bracket motion of Senator McFarland and I urge you to do the same thing. Thank you.

SPEAKER BARRETT: Thank you. You've heard the closing and the question is the return of the bill to Select File. Those in favor vote aye, opposed nay. Have you all voted? Record. A record vote has been requested. Senator Chambers, did you request the record vote? Thank you.

CLERK: (Record vote read as found on pages 2089-90 of the Legislative Journal.) 8 ayes, 27 nays, Mr. President, on the motion to return the bill.

SPEAKER BARRETT: Motion fails. I'd like to take just a moment to recognize some students just leaving the north balcony. They are guests of Senator "Cap" Dierks, 24 eighth graders from Holt County. Would you folks please wave on your way out. Thank you. We're glad you're visiting. Next item.

CLERK: Mr. President, if I might, some items for the record. Your Enrolling Clerk has presented to the Governor the bill read earlier this afternoon on Final Reading. (Re: LB 258.)

New resolutions. (Read introduction of LR 124 and 125 for the first time as found on pages 2090-92 of the Legislative Journal.) That will be referred to Reference.

I have several centennial resolutions, Mr. President. (Read introduction of LR 126, 127, 128 and 129 as found on pages 2093-95 of the Legislative Journal.) All of those will be laid over, Mr. President.

And Senator Warner has amendments to 218, to 408; Senator Chambers to 288A and that is all that I have, Mr. President. (See pages 2092-96 of the Legislative Journal.)

SPEAKER BARRETT: Thank you. Next item on the bill.

CLERK: Mr. President, Senator Morehead, the amendment you had, Senator, on page 1813 I understand you want to withdraw that one. Mr. President, Senator Morehead would move to return the bill. Her amendment is on page 1896.
